

**PARENT INFORMATION:**

- Your children are welcome to invite friends to all church events.
- All preschoolers and children MUST have a signed parent consent and release form. This form is valid for the 2011 calendar year.
- If you see an R.S.V.P. date listed with an event, please call the church office to make a reservation by that date. No children will be added after that date.
- **Children birth through completed Kindergarten are considered preschoolers.**
- All preschoolers four years old and younger MUST have a parent/adult escort.
- **Children who have completed first grade through completed fifth grade are considered children.**
- Please do not let money be an issue. If there is an event your child would like attend, we have church members who graciously give summer scholarships to allow children to attend events. Please contact the church office for confidential information.
- *FOR CHURCH MEMBERS ONLY—If your children attend more than one event this summer, one parent is asked to chaperone at least one event during the summer. This is to ensure all events have enough chaperones. Please choose an event that works for your schedule, and tell Pastor James which event you plan to chaperone.*
